FOR IMMEDIATE RELEASE

TABLE NINETEEN OPENS AT THE OKANAGAN GOLF CLUB IN KELOWNA

Kelowna, BC, May 31, 2024 – GolfBC Group (owner and operator of seven golf courses in British Columbia and three in Maui) is excited to announce the opening of its third Table Nineteen restaurant - at The Okanagan Golf Club in Kelowna, BC. The newly renovated clubhouse, restaurant, bar and patio (previously Sarazen's Restaurant) is now open daily for lunch and dinner from 11 am.

A spectacular lake and mountain setting amongst towering Ponderosa Pines at the legendary Bear and Quail Golf Courses, Table Nineteen is a refined culinary take with a sense of familiarity. It's not a clubhouse. It's a second home.

Table Nineteen Kelowna features a newly constructed bar, a lounge area featuring a mix of high-top tables and regular banquette seating, an inviting dining room showcasing a large fireplace, and a new retractable wall to tastefully separate or blend the dining room/lounge with the banquet room. The event space offers flexibility to customize the size of the room and includes cutting-edge audio-visual, a new fully equipped event bar and a wrap-around patio. Hatch Interior Design (Kelowna) has given the space welcoming colours and refined natural elements with strong geometrics balanced by interesting designs and cozy lighting.

Table Nineteen will continue to adopt the culinary vision of GolfBC's corporate chef, Eric Gilchrist, as he collaborates with the Okanagan Golf Club team led by Executive Chef Prasad Chavan. Gilchrist has spent time working in some of the most idyllic locales the world has to offer — the Cayman Islands, Florida, Jamaica and, of course, Whistler's Table Nineteen, to name a few.

The Table Nineteen cuisine is meant to excite and intrigue with globally balanced main and share plates. Clever house-made culinary twists feature thoughtfully selected, locally available and ethically sourced ingredients. The creative beverage offerings include a selection of local craft beer, BC and international wines, and thought-provoking cocktails.

Table Nineteen's brand character focuses on entertaining liveliness mixed with relaxation - welcoming, warm, neighbourly, playful but grown up, authentic and wholesome. Reservations can be made online through its website at tablenineteen.com/kelowna.

The Table Nineteen Story

Initially introduced in 2014 at Nicklaus North in Whistler, BC, Table Nineteen soon grew to be known for offering a premier culinary experience in a stunning setting. Olympic View in Victoria, BC, was the second location to welcome the Table Nineteen brand in 2020, and the third location in Kelowna at The Okanagan Golf Club opened in May 2024. All three locations underwent extensive clubhouse and restaurant renovations, focusing on interior spaces that feature welcoming colours and refined natural elements with strong geometrics balanced by curious designs and cozy lighting. While the overall aesthetic is similar, each location showcases unique elements that are intended to complement the building's architecture and the natural setting.
